**Magnetic LED Light Counter-Top Display**

*Put the Magnetic LED Light within Easy Reach of Customers*

**Fort Mill, SC** - Lumax's New Counter-Top Display that puts the Magnetic LED Light within Easy Reach of Customers. The LX-1436-DB comes with 24 Units of LX-1436 Magnetic LED Lights that can easily be re-stocked. The Magnetic LED Light can attach securely to most Hand Tools and is ideal for use on Grease Guns, Screwdrivers, Wrenches, Pliers, Ratchets, etc. It lights-up dark work areas in seconds. The Strong Magnets hold on to the tool securely during operation and will not fall-off. The Compact Lightweight Design, only weighing 0.25 ounces, makes it easy to store and put in your toolbox. The Lumax Magnetic LED Light has a long-life lithium battery that lasts up to 7 hours of continuous use. 3 x L736F Replaceable Button-Cell Batteries are included in the product.
