**LX-1436 Magnetic LED Light**

*Light Up Dark Work Areas in Seconds!*

**Fort Mill, SC** - Lumax is Proud to Announce an introduction of our New, Innovative, Magnetic LED Light, LX-1436. The Magnetic LED Light can attach securely to most Hand Tools and is ideal for use on Grease Guns, Screwdrivers, Wrenches, Pliers, Ratchets, etc. It lights-up dark work areas in seconds. The Strong Magnets hold on to the tool securely during operation and will not fall-off. The Compact Lightweight Design, only weighing 0.25 ounces, makes it easy to store and put in your toolbox. The Lumax Magnetic LED Light has a long-life lithium battery that lasts up to 7 hours of continuous use. 3 x L736F Replaceable Button-Cell Batteries are included in the product.
