### **LX-1342 Diaphragm Fuel Transfer Pump Release**

*Heavy Duty, Double-Acting Diaphragm Pump*

**Fort Mill, SC** - The LX-1342 is a heavy duty, durable double acting diaphragm pump from Lumax. Ideal for use where compressed air and power is not easily available. Excellent for dispensing anti-freeze , diesel, fluid oil, jet fuels, transmission fluid, and similar petroleum based products of light to medium viscosity. The heavy duty steel handle with security locking latch dispenses 1 gallon of fluid in 5 strokes. Fits 15 to 55 gallon drums or tanks with 2" bung opening. The pump inlet is fitted with an easy clean wire mesh screen. This pump is great for service garages, on the farm, fleet operations, road construction and marine use.
