**New Lumax Fluid Dispensers**

*Syringe-Action*

**Fort Mill, SC** - Lumax's new simple syringe-action Fluid Dispensers that can quickly and cleanly extract or dispense fluids into and out of small reservoirs. Ideal for filling or removing brake fluid, anti-freeze, gear oil from master cylinders, transaxles, power steering fluid or coolant reservoirs prior to bleeding, fluid changes or repairs. Lightweight and easy-to-clean, the dispensers feature a flexible tube for accessing reservoirs and includes a non-drip cap. Perfect for a variety of fluid exchange applications; auto, garage, home, industrial, and marine use.

**About Lumax**

Lumax has proudly served the professional Automotive, Industrial, Agricultural, Hardware, and Retail Markets with quality lubrication products for over two decades. As an industry leader, Lumax continues to grow by building its relationships and business with strong foundation in World-Class products, customer service, and value.
