New LX-1389 Fluid Dispenser

Syringe-Action

Fort Mill, SC - Lumax's new simple syringe-action Fluid Dispenser that can quickly and cleanly extract or dispense fluids into and out of small reservoirs. Perfect for a variety of fluid exchange applications for auto, garage, home, industrial, and marine use.

The LX-1389 capacity is 50 oz., length is 18.25 inches, width is 4.75 inches, hose extension is 1/2 inch by 14.75 inches, and weight is 25 oz. Ideal for filling or removing brake fluid, anti-freeze, gear oil from master cylinders, transaxles, power steering fluid or coolant reservoirs prior to bleeding, fluid changes or repairs. Lightweight and easy-to-clean, the dispenser features a flexible tube for accessing reservoirs and includes a non-drip cap.
