New Mental Counter Display for Heavy-Duty Grease Couplers

LX-4851

Fort Mill, SC - Lumax is excited to release the New Heavy-Duty Quick-Release Grease Coupler Metal Counter Display. Lumax's eye-appealing packaging; puts the Worlds Highest Pressure Rated, Heavy-Duty Quick-Release Grease Couplers within easy reach of your customers. When you display an attractive Lumax Counter Display, you're sure to Ring-Up more sales. The multi-year service life of each coupler has an exclusive High-Performance Hydraulic Seal. No damage to the seal, after several hundred uses - No need to buy spares kits! The ergonomic thumb lever design makes coupling and uncoupling totally effortless at high pressures. The working pressure of the grease couplers is 15,000 PSI and a burst pressure of 22,000 PSI, the highest pressure rating in the world for a quick-release grease coupler! The couplers fit all SAE and metric grease fittings.

The Counter Display Kit Includes:

- Heavy-Duty Metal Counter Display
- 2 Grease Hoses with Spring-Guard
- 1 Coupler of each Model Quick-Release Grease Coupler for Demo
- 2 Display Hooks 20 of Each Coupler (LX-1403 & LX-1403-XL)
- 5 of Each LX-1403 & LX-1403-XL for Display and 15 of each Model for Replenishment
